

REMARKS

In response to the Office Action dated 11/17/2008, please amend the application prior to examination. In the Office Action, a restriction requirement was made requiring applicant to elect one of three separate inventions.

Accordingly, applicant has elected to pursue invention directed to claims 21 and 22 and new claims 23-41 which depend therefrom and has withdrawn from consideration at this time claims 1-21 without prejudice. This is intended to be a complete response to the Restriction Requirement of 11/17/2008.

Respectfully submitted,
